Re: Albion-Sheridan Township Landfill Site  
My client: Mr. Stanley Sattler

Dear Mr. Lindland:

I attempted to call you today, but you were out.

Please be advised that I have spoken to Mr. Sattler relative to your requests, and he is of a posture to allow your agency to undertake those actions which you deem necessary.

If specific agreements or authorizations are needed, please forward them to my attention and I will have Mr. Sattler execute them.

Very truly yours,

COLBECK, MCALHANY AND STEWART, P.C.
